

Smart electrical system

A simple, rational range of connected devices, both wired and wireless.

| REMOTE CONNECTION | SCENARIOS | LIGHTS | SHUTTERS | ENERGY AND CONSUMPTION MANAGEMENT |
|---|---|--|---|--|
|  <p>Gateway</p> |  <p>Scenario control</p> |  <p>Lights control</p> |  <p>Shutters control</p> |  <p>Socket with connected module</p> |
| <p>CONNECTED DEVICES (230V A.C.)</p> <div style="border: 1px dashed gray; padding: 5px; display: inline-block;">  </div> <p>Item L/N/NT4500C Gateway with In&Out scenario control</p> <div style="border: 1px dashed gray; padding: 5px; display: inline-block;">  </div> <p>Item L/N/NT4510C Gateway with In&Out scenario control</p>  <p>Item FC80GT Gateway DIN</p> | | <div style="display: flex; justify-content: space-around;"> <div style="text-align: center;">  <p>Item FC80RC Connected DIN relay 16 A</p> </div> <div style="text-align: center;">  <p>Item 3584C Connected light relay 1,3 A</p> </div> </div> <div style="display: flex; justify-content: space-around; margin-top: 20px;"> <div style="text-align: center;">  <p>Item L/N/NT4003C Connected two-way switch</p> </div> <div style="text-align: center;">  <p>Item L/N/NT4411C Connected switch/dimmer</p> </div> </div> | <div style="text-align: center; margin-bottom: 20px;">  <p>Item L/N/NT4027C Connected shutter control</p> </div> <div style="text-align: center;">  <p>Item 4027C Connected micromodule for shutter</p> </div> | <div style="display: flex; justify-content: space-around; margin-bottom: 20px;"> <div style="text-align: center;">  <p>Item L/N/NT4531C Connected module for socket -16 A</p> </div> <div style="text-align: center;">  <p>Item FC80CC Connected DIN contactor 20 A</p> </div> </div> <div style="display: flex; justify-content: space-around;"> <div style="text-align: center;">  <p>Item F20T60A Connected DIN meter</p> </div> <div style="text-align: center;">  <p>Item FC80GCS Connected DIN load management</p> </div> <div style="text-align: center;">  <p>Item 4141PC Connected PLUG&PLAY socket</p> </div> </div> |
| <p>BATTERY WIRELESS CONTROLS</p>  | <div style="display: flex; justify-content: space-around;"> <div style="text-align: center;">  <p>Item L/N/NT4570CW In&Out scenario control</p> </div> <div style="text-align: center;">  <p>Item LN4570CWI In&Out scenario control</p> </div> <div style="text-align: center;">  <p>Item L/N/NT4575CW 4 scenarios control</p> </div> </div> <div style="display: flex; justify-content: space-around; margin-top: 20px;"> <div style="text-align: center;">  <p>Item L/N/NT4574CW Night&Day scenario control</p> </div> <div style="text-align: center;">  <p>Item LN4574CWI Night&Dayscenario control</p> </div> </div> | <div style="display: flex; justify-content: space-around;"> <div style="text-align: center;">  <p>Item L/N/NT4003CW Light control</p> </div> <div style="text-align: center;">  <p>Item LN4003CWI Light control</p> </div> <div style="text-align: center;">  <p>Item LN4027CWI Shutter control</p> </div> </div> <div style="display: flex; justify-content: space-around; margin-top: 20px;"> <div style="text-align: center;">  <p>Item L/N/NT4003DCW Double light control</p> </div> <div style="text-align: center;">  <p>Item 3585C Motion sensor</p> </div> <div style="text-align: center;">  <p>Item L/N/NT4027CW Shutter control</p> </div> </div> | <div style="text-align: center; margin-bottom: 20px;">  </div> <p>Connected thermostat Item XW8002 Item XW8002W Item XM8002 Item XG8002</p> | |

Note: The devices are also available in Light white and Tech gray finishes. See catalogue for detailed descriptions, availability and full range of products.
